Training Agreement

Your Commitment to Expansion

INNERPATHWORKS' training necessitates a high level of commitment in order to reach the utmost level of awareness and direction. We are committed to providing a life-transforming experience for you and ask you to fully engage in this extraordinary training.

I, _____, subscribe to the following precepts:

I choose to arrive on time, be present and do my best in all scheduled activities.

I am prepared to participate in unusual and sometimes confusing exercises.

I am ready to utilize what I learn, both in class time and free time, for the duration of my enrollment.

I will refrain from using illegal drugs and those not prescribed to me (**note:** you are learning to positively manage and expand your mind naturally).

I will treat humans and other creatures with care and respect.

I commit to doing more than I am asked to do in my assignments and by the instructors.

I will share when encountering areas that overwhelm or frighten me so alternative options might be employed.

IN SUMMARY

I will Show Up, Do My Best, Be Myself AND Make a Difference.
